

Refer a Friend Credit

To refer a friend you just need to advise the person signing up to do the following:

- If they are signing up with a Barefoot sales agent over the phone, tell the agent your existing account name and Barefoot account number as a referral;
- If they are signing up online, from the “how did you hear about us” section, choose the option “customer referral”. Then fill in “referral customer name” and “referral account number” sections with your existing account name and Barefoot account number as a referral;

Terms and Conditions

- a. For both online and phone sales, the customer referral details must be left at the time of the order – these can not be added at a later date once the order has been submitted under any circumstances;
- b. **Referral for nbn or ADSL internet services** - once the internet service is activated on the network, you will automatically be provided with a once-off \$50.00 credit on your next issued invoice;
- c. **Referral for standalone mobile services** - once the mobile service activated on the network, you will automatically be provided with a once-off \$25.00 credit on your next issued invoice;
- d. Any referral credit can only be applied once per Barefoot account referred;
- e. Referral credit is applied to the referrers account only;
- f. If the referrer’s account is closed it will not be eligible for a referral credit;
- g. Credits are non-transferrable and are not redeemable as a credit or cash refund;
- h. No separate tax invoice(s) or other documents will be issued for the referral credit;
- i. Barefoot Telecom reserves the right, in our sole discretion, to remove your access to this referral offer if we have otherwise formed the view that you are scamming this offer;
- i. The refer a friend credit is not available in conjunction with any other offer.
